ESSAC TRAINING AND OUTREACH

ESSAC is in charge to book and attend the European Geoscience Union (EGU) General Assembly that is organized yearly in Vienna at the Austria Center. The EGU General Assembly is the largest scientific meeting in Earth Science in Europe, second only to the American Geophysical Union meeting. The attendance exceeds 10000 units. The booking of the space for exhibitors opens every year at the end of the month of November and rapidly closes after reservation and payment. The organizer of the exhibitor spaces is Copernicus Gesellschaft mbH who manages all the activities of the European Geoscience Union. For this reason it is not possible to publish a call for tender for this kind of service. The Payment is required within 14 days from the date of issue of the invoice. Date of Issue: December 2nd 2022. Payment due: December 16 2022. For this reason we kindly ask for a bank transfer before December 16th.
