#### **Art. 4 – Selection board and evaluation**

The Selection Board is appointed by the General Director of OGS and consists of three members chosen from the OGS researchers including the Tutor of the Research.

The selection is based on qualifications and interview. The interview could be taken on videoconference using google hangout, skype or H323 systems.

The assessment criteria are predefined by the Selection Board.

The evaluating titles are:

a) Certificates of attendance to courses abroad or in Italy in the field of high performance computing;

c) Certificates of pre-enrollment or enrollment to specialized post-graduated courses in high performance computing.

d) documented research activity by public or private bodies with contracts, scholarships or assignment held in Italy or abroad in the field of high performance computing.

The Committee may make a shortlist of applicants eligible for the interview; in this case interview eligibility depends on obtaining a minimum score which will have been previously fixed by the Committee itself. Candidates with lower scores will not be included in the final ranking list.

The evaluation of the candidate will be based on qualifications and on interview, scientific production and professional CV and on the attitude on research activity .

The list of applicants admitted to the interview and details on date, time and place will be published **at least 20 days prior on the website of OGS.**

Not attending the interview at OGS will be considered as renunciation to the selection procedure.

At the end of the evaluations the examining board will draw up a report, including the evaluation criteria, the total mark obtained by each candidate and a classification list of those considered eligible. The selection is considered as passed if the applicant obtains at least 7/10 or equivalent on the total points decided by the examining board. The judgement of the Commission is final and unappealable. The selection procedure ends with the classification list on the OGS website.

The classification list is approved with Decree of Human Resources Head. The classification list is valid for 18 months from the date of decree of approval.

In case of renunciation of the grant winner, the grant shall be awarded to the next eligible candidate in the ranking list.

#### **Art. 5 – Duration and salary amount**

After budget verification, the OGS General Director, with Decree, bestows the grant drawing up the contract that declares the research object and duties of the grant holder.

The grant will have a duration of 12 months and its total duration, including the renewals must not exceed 3 years. The OGS arranges for insurance coverage for the grant holders against accidents in the workplace.

#### **Art. 6 – Rights and Duties of the grant holder**

The grant holder must carry out the commitments foreseen by the study program, the contract and by the OGS Regulations.

The duties of the grant holder specified in the contract should be performed independently and under the supervision of the Tutor, who will monitor the conducted activity.

The study activity of the grant-holder is performed under the supervision of tutor, without working time scheduled and on a non subordinated work base.

The grant holder must submit to OGS a final research report that includes the obtained results. The report must be approved by the tutor.

The grant is subject to the dispositions of compulsory maternity leave, the provisions of the Decree of the Minister of Labour and Social Welfare July 12, 2007, and art. 1 of Law No. 296/ 2006.

In accordance with national regulations, any temporary contract interruption, due to maternity or sick leave period, is excluded from the above mentioned calculation.

#### **Art. 7 – Incompatibility and non overlapping**

The grant is not combined with other type of grant and the grant holder may not attend PhD grant in Italy or abroad.

The grant is not compatible with permanent private or public employ, with the exception of unpaid leave from work.

#### **Art. 8 – Contract resolution and termination**

The grant holder who, after having started the planned research activity, does not carry out his/her work regularly and without interruptions for the duration of the grant without producing justified reasons, or lacks repeatedly to fulfil requirements or, according to the evaluation of the tutor, eventually shows evident lack of skill at the planned research activity, will incur termination of the contract and consequent deprivation of the scholarship.

The resolution is adopted by OGS General Director Decree on request of the tutor and on the recommendation of the Director Scientific Research Section.

The grant holder, who, due to justified reason, cannot start or continue the research activities planned must submit to the Tutor and the to Head of the Human Resource Office expressly written waiving with a notice of at least 20 days from the date termination of research activity.

The waiver takes effect from the first day of the month following the notification of the waiver.

#### **Art. 9 – Personal data**

In accordance with art 13 of Legislative Decree no.196/2003, personal data, that will be settled by Head of Human Resources Office of OGS, provided by candidates in the application form will be processed for the only purpose of the assignment of the grant and the ensuing relevant procedures.

#### **Art. 11 – Final proceedings**

For matters not covered by this notice selection please refer to Grant and Research Fellowship rules of OGS.

This call for individual grant will be posted on the OGS website and on the European Commission Internet portal-Euraxess.

In accordance to the Law n. 241/1990 art. 5 the Responsible of the Proceedings is the Head of the Human Resources Office.
