

First Announcement

TURBINTERMARS 2015

INTERNATIONAL CONFERENCE ON TURBULENCE AND INTERACTIONS IN MARINE SYSTEMS

23-25 FEBRUARY 2015

TRIESTE - ITALY

TURBULENCE AND SEDIMENTARY PROCESSES

organizers

Vincenzo Armenio¹, Alessandro Crise², Vedrana Kovacevic², Riccardo Farneti³, Michele Rebesco²

¹Università degli Studi di Trieste, ²OGS - Istituto Nazionale di Oceanografia e di Geofisica Sperimentale,

³The Abdus Salam International Centre for Theoretical Physics

TURBINTERMARS is the first of a series of conferences that are aimed at exploring the 'trade zones' between turbulence and the Earth Sciences.

TURBINTERMARS is the follow-up of the annual TURBINTERMED Workshop, which was held up to 2013 in Toulon (France)

TURBINTERMARS retains the previous successful format

- Keynote Speakers:

Carl L. Amos, Ocean and Earth Science, National Oceanography Centre, Southampton, UK

Federico Falcini, Institute of Atmospheric Sciences and Climate (CNR), Rome, Italy

Rui Ferreira, Instituto Superior Tecnico, Lisbona, Portugal

Marga Garcia, Andalusian Institute of Earth Sciences (IACT-CSIC), Granada, Spain

Vladimir Nikora, School of Engineering, Aberdeen, UK

Olivier Simonin, Institut de Mécanique des Fluides de Toulouse - IMFT, France

Anna Wåhlin, Department of Earth Sciences, University of Gothenburg, Sweden

Alfred J. Wüest, Eawag: Swiss Federal Institute of Aquatic Science and Technology, CH

- Limited participation: maximum 24 Workshop attendees with oral communications by young scientists and graduate students/postdoc, and maximum 20 Workshop attendees not submitting papers
- Time for discussing and establishing further cooperation/common projects

TURBINTERMARS 2015 is focused on boundary layer sediment interactions at different scales, bringing together scientists active in the geological, geophysical and fluid mechanics fields.

Deadlines

Abstract submission - **Saturday, 24 January 2015**

Acceptance notification - **Monday, 2 February 2015**

Venue

The Abdus Salam International Centre for Theoretical Physics

Giambiagi Lecture Hall

Adriatico Guest House, Grignano (TS)
